Launch of the week

At GMES, our launch is a quote we share at the end of every day with our students. It is a positive reminder of the work they have done and will continue to do. Our quote this week is: "We are all worth getting to know." - Julie Stapp

Report Cards

The first quarter has ended. Report cards will be sent home this week through email. If you need to update your email in Powerschool, you can call the office to update it.

District Inservice - No School

There is no school for students on Friday, October 30. This is an inservice day for teachers.

Storybook Days

Storybook Day will take place on Thursday, October 29. Students will be able to dress up as one of their favorite story book characters. Costumes should not include masks covering the eyes or whole face, should not have face paint, should not have weapons, and be school appropriate. Stories will be shared with classes through recorded videos from readers.

PTO Update

Our Parent-Teacher Organization met last week. We are working on the process for the playground equipment, potential fundraising for student programs, and ways to involve parents during the changes in school due to COVID precautions. We hope to see you at our next meeting, Wednesday, November 11 at 6:00.
