Important Dates

11/11 PTO Meeting 6:00 p.m.
11/23-11/27 Thanksgiving
Break

We are asking that all parents dropping off children in the morning or picking up after school use our designated area by the flagpole. Thanks for your support!

A reminder that dogs and other pets are not allowed on GMES school grounds.

Launch of the week

At GMES, our launch is a quote we share at the end of every day with our students. It is a positive reminder of the work they have done and will continue to do. Our quote this week is: "Be somebody who makes everybody feel like somebody." - Kid President

Report Cards

The first quarter has ended. Report cards will be sent home this week through email. If you need to update your email in Powerschool, you can call the office to update it.

Learn to Bike

The Nature Connection will be working with kindergarten, first grade, and second grade students during PE starting this week through November 20th. Students will be learning how to ride a bike and bike safety.

Reading Goal

During the district inservice last Friday, the staff at GMES set a three year goal for at least 80% of our students to benchmark in reading. We know the importance of students reading and will work diligently toward this goal.

Weather

The temperatures are becoming colder in the mornings. Please make sure your student is dressed for outside recess in the morning.

Lost and Found

As the temperatures are cooler in the morning but warmer in the afternoon, the lost and found collection is increasing. If your student is missing a jacket (or lunchbox or other items) please have them check the lost and found.

PTO Update

Our Parent-Teacher Organization met last week. We are working on the process for the playground equipment, potential fundraising for student programs, and ways to involve parents during the changes in school due to COVID precautions. We hope to see you at our next meeting, Wednesday, November 11 at 6:00.
