Break

We are asking that all parents dropping off children in the morning or picking up after school use our designated area by the flagpole. Thanks for your support!

A reminder that dogs and other pets are not allowed on GMES school grounds.

Launch of the week

At GMES, our launch is a quote we share at the end of every day with our students. It is a positive reminder of the work they have done and will continue to do. Our quote this week is: "Thankfulness is the quickest path to joy." - Jefferson Bethke

Student Council Fundraiser

Student Council will be conducting one of their annual fundraisers starting next week. For this, candy canes will be available for fifty cents from each student's teacher. Exact change is required and no change will be given. This fundraiser helps support a variety of projects throughout the school.

Giving Tree

Giving tree forms have been sent out to our families. If you are interested in contributing to funding the Giving Tree, please contact Patti or Miryam in the office.

Weather

The temperatures are becoming colder in the mornings. Please make sure your student is dressed for outside recess in the morning.

Lost and Found

As the temperatures are cooler in the morning but warmer in the afternoon, the lost and found collection is increasing. If your student is missing a jacket (or lunchbox or other items) please have them check the lost and found.

PTO Update

The monthly PTO meeting was held last week. The group is finalizing the selection of playground equipment from previous fundraisers. They are also looking at a new fundraiser called Shop with Scrip. This program provides GMES with up to 12% of the purchase of a gift card through the organization. More information will be made available about this exciting opportunity soon!

Panorama Survey

Students in third through fifth grade will be participating in the district annual Panorama Survey the week of November 16th. GMES uses this data to ensure we are meeting student needs in a variety of areas.
