Launch of the week

At GMES, our launch is a quote we share at the end of every day with our students. It is a positive reminder of the work they have done and will continue to do. Our quote this week is: "Don't count the days, make the days count." - Unknown

First Semester

It is hard to believe we are almost at the end of the first semester. We are so happy to be working with our students in person and in the classroom. It has been a great first half of the year and we look forward to even greater things during the second semester.

Winter Break

The winter break will begin after this week. Students last day for the semester is this Friday, the 18th. Students will return to school on Tuesday, January 5.

Panorama Survey

Students in third through fifth grade completed the Panorama survey earlier this year. The results from our students were very positive. There are six sections in the survey and asks questions such as are the rules at school fair and is your teacher excited to teach your lesson. With six years of data, we scored the highest ever in two categories and the second highest ever in three categories. The data exemplifies the hard work and dedication our teachers have put into making this year successful and the benefits our students are receiving as they are learning.
