Important Dates

1/11 Vision/Hearing
Screening
1/18 No School for Students

We are asking that all parents dropping off children in the morning or picking up after school use our designated area by the flagpole. Thanks for your support!

A reminder that dogs and other pets are not allowed on GMES school grounds.

Launch of the week

At GMES, our launch is a quote we share at the end of every day with our students. It is a positive reminder of the work they have done and will continue to do. Our quote this week is: "The race is not won by the swift but those who keep running." - Unknown

Water Bottles

It is important to ensure students have a filled water bottle with them daily. Students do drink from their water in class and also take these water bottles with them to PE. With the continued regulations, drinking fountains are not available, which makes the water bottles so important. Thanks for supplying your student with their water bottle.

Change to Vision/Hearing Screenings

Families of students should have received an email about the change to our traditional vision/hearing screenings. Parents/guardians need to opt in to have their student's vision and hearing screened at school. If you did not receive the message, please contact the school.

District Inservice Day

A teacher inservice day will take place on Monday, January 18th for all teachers in the Delta County School District. This day of professional learning for teachers means students will not attend school on this day.

Looking for a way to beat those winter blues?

The Grand Mesa is gorgeous this time of year (and often bright and sunny above the inversion.) Come use The Nature Connection's ski gear with your family. Free for kids and \$5 suggested donation for adults. We'll even provide some basic instruction and hot drinks when you're done.

Come join us Saturday Jan 23rd from 10am - 2pm. We'll also be hosting full moon skis in Feb and March. Spaces are limited and RSVP's are required so we have your size. See www.thenatureconnection.net/family for RSVP and more info.

We Love Music Talent Show

The Vision Charter Academy is again sponsoring the We Love Music talent show. More information and how to sign up is available on their website www.visioncharteracademy.org. The deadline to sign up is February 26th.
